Dear Dianne:

Thank you for your participation in the last meeting of the Technical Review Committee. I have enclosed a copy of the minutes for your review.

Because of the large number of topics presented by the U.S.G.S. we were unable to complete the meeting. Topics which remain are the election of officers, the discussion of salt crust bulk density, and the discussion of current proposals for the study of pond migration. Therefore, the next meeting of the Technical Review Committee is scheduled for February 23, 1993 at 9:00 a.m. I look forward to seeing you there.

Sincerely,

ACTING DISTRICT MANAGER
